## PERSONAL DETAILS

D.O.B. 6 September 1998  
Father's Name Gurpreet Singh  
Languages known English, Punjabi, Hindi

## ABOUT ME

Technologically savvy and goal oriented. Driven and motivated to help organisation thrive. Skilled in prioritizing and completing tasks independently. Good problem solving skills and attention to details. I am working on technologies across the whole stack (MongoDB, Express, React, NodeJS, etc). Experience building complete web applications with backend API systems.

## EXPERIENCE

### VT NETZWELT | ASSOCIATE TRAINEE (FULLSTACK)

Oct 2020 – April 2021

- Underwent a web development Boot-camp during which I built multiple applications using MERN stack with best coding practices.
- Developed multiple fullstack applications, under mentor ship of senior developers.
- Worked on company's internal as well as external projects.

### VT NETZWELT | ASSOCIATE SOFTWARE ENGINEER

April 2021 – Present

- Participate in software development using Agile/Scrum development process.
- Optimized react application to bring down re-rendering by 20%,
- Converted a react application into NextJS as per SEO requirements
- Optimized database queries to bring down response time preventing database redesign
- Designed a chat module E2E
- Played a vital role in product launch, coordinated with clients and so on ...
